

NATIONAL SERVICE SCHEME DAY (NSS Day)

“Perhaps the only legacy worth having is to have been known as a compassionate and benevolent person.” The Indian Nation State initiated the National Service Scheme on September 24, 1969 under the Department of Youth Affairs to invigorate the concept of voluntarism among students and manifest social constructive work.

The NSS unit of Kalindi College commemorated the NSS Day with ecstatic fervour and the pursuit to spread awareness on the dictum “Say No to Drugs.” The event commenced with the Lamp Lighting Ceremony and ensuing Dr. Anula Maurya, Principal Kalindi College addressed students on the drug menace and stimulated the message to battle drug abuse.

The Principal address was followed by an interactive workshop conducted by “Vijayash Foundation” on the concept of ostracising drug addiction. Mr. Deepak Jain, Founder; Ms. Priya Sawant, Vice-President and Speaker; and Ms. Bharti, Senior Executive from the foundation organised the seminar to accentuate the pathway to freedom from Drug Enslavement towards the incredible life God bestows each human.

Hence, Ms. Nidhi Kapoor, NSS Officer Kalindi College delivered The Vote of Thanks and adjudicated a Slogan Writing Competition on the motion.

The event concluded with an exuberant rally in the college campus, spreading awareness and reverberating with slogans. The catchphrase metaphorically quoted, “We do not need Heroine to be a Hero.”
