

PASSPORT AWARENESS CAMP

In conformation to the adage "Awareness is the greatest agent of change", the NSS Unit of Kalindi College organised a Passport Awareness Camp in collaboration with the Ministry Of External Affairs on January 27, 2017. The camp commenced with an interactive session wherein the significance of possessing a Passport was discussed with the students. Furtherdelving into intricacies of the official procedures, the speaker educated the students about the essential documents required for passport application - accounting to Proof of Date Of Birth, Proof of Address (where students have the exclusive option to apply either from the permanent address or from the present one) and certain bonafide certificates issued by recognized institutions for the validation of credentials.

Moreover, students were acquainted to the various methods for Passport Application, highlighting upon the online requisition of the same. The session culminated with a documentary presentation from the Ministry of External Affairs. Hence, the Passport Awareness Camp was extensively informative and imparted sincere awareness to the students.
