

BAZINGA SERIES

Organized by

PhysCom Society , Kalindi College, University of Delhi

BAZINGA, an online questionnaire series was released by PhysCom Society of Kalindi College ,which was open to all the Facebook and Instagram users of Kalindi College. It started from 1st April, 2018 and concluded on 7th April, 2018. The questions were from the different subjects of Physics and Computer Science which in turn helped to test the knowledge of the students in their respective area through the first ever event of online series of PhysCom society.

Around 6 P.M. in the evening, two questions were posted from two categories where one question is related to Physics and the other question is related to Computer Science and the participants had to comment their answers on the post. The participants who managed to answer maximum number of questions correctly, were declared as winners.

Prizes were given to the most active participant who was able to answer the maximum number of correct answers.

Winner from Physics category was:

Monika - B.Sc(Hons.) Physics 2nd year

Winner from Computer Science category was:

Ayushi Dubey - B.Sc(Hons.) Computer Science 1st year
