

Closing Ceremony - TechTrix

Organized by

PhysCom Society , Kalindi College, University of Delhi

TechTrix, the closing ceremony of PHYSCOM Society of Kalindi College, was conducted on 11th April, 2018. It was inaugurated by remembering Goddess Saraswati and lighting of lamp by the Principal, Dr Anula Maurya and convenors of PHYSCOM Society. The day was lined up with events like, Crosswords, Pictionary and Caption Writing.

Crosswords

Crosswords was a competition in which there were two sets of puzzles to be solved, one set is prepared for the Physics category and the other set is prepared for Computer Science. The students were provided with hints from which they had to guess the most appropriate and right word as their answer. Two winners were chosen from each category.

The winners were:-

Computer Science -	Anshu Yadav (II year)
Physics -	Sejal Arora (I year)

Caption Writing

Caption Writing gained a good number of participation from the students. In this, the students had to write a caption on the theme, "Science to me is...". The one hour long competition ended with two talented winners who had very beautifully depicted their imagination.

The winners were:-

I prize -	Rakshita Jain (CS(H) I year)
II prize -	Nitya Saini (CS(H) I year)

Pictionary

Pictionary was a science oriented game in which team of 2 were requested to participate the game. One member would draw the chit from the lucky pot which have the term either related to Physics or Computer Science. The first team member should describe the term through their actions and the other team member would have to guess. The competition proved to be quite interesting and new to the students.

The winners were:-

Computer Science-

Kashish Khungar and Tanya Goyal (II year)

Phycis-

Anshul Singhal and Vaiwaswati Joshi(III year)

All the winners were rewarded with certificates and cash prizes.

The event concluded with the report of the society for past one year of hard work and vote of thanks by the President of PhysCom Academic Society, Kalindi College.
