

POSTER MAKING COMPETITION

Organized by

PHYSCOM SOCIETY

Kalindi College

University of Delhi

Report on Poster Making Competition :

The poster making competition took place on 5 September, 2018 at 2 pm for 2 hours in Room No. 21, Academic Block and S-3, Science Block, Kalindi College.

The topics related to computer science/physics were given on the spot to make posters for the same.

Topics For Physics :

- 1) Nanotechnology
- 2) Geostationary Satellites
- 3) Black Hole
- 4) Different types of Lasers
- 5) Different types of Sensors

Topics For Computer Science :

- 1) Modern Technology Vs Print Media

RULES FOR THE COMPETITION:

1. Participants shall pick the topic related to their respective courses. Physical science students can pick either of them.
2. A team of two members is allowed.
3. A3 size sheet will be provided on the spot. However, participants have to bring their own colours, brushes, newspapers etc.
4. Participants will be judged on the basis of creativity, innovation and design.
5. Time allotted :- 60 minutes

Winners from Physics were:

- 1st Prize - Kajal & Anumerha , 2nd year B.Sc Physics(H)
2nd Prize - Himani Singh & Garima Sharma, 2nd year B.Sc Physical Science

Winners from Computer Science were:

- 1st Prize - Pragya Gambhir & Anu Sharma, 2nd year B.Sc(H) Computer Science
2nd Prize - Sudha Yadav & Priya, 2nd year B.Sc(H) Computer Science

First Prize - 500Rs

Second Prize - 300Rs

The event was quite interactive. Participants presented their ideas creatively in the form of art. The event had a participation of around 30 students belonging to various courses such as B.ScPhysical Sciences, B.Sc(H) Computer Science and B.Sc(H)Physics. All students were very enthusiastic and participated with great zeal in the events.
